

Chapter 9- Education

Effective May 8, 1995

Title 288: Chapter 9- EDUCATION

9-001 Recognized Standing

9-002 Nonaccredited Degree

9-003 Educational Requirements after January 1, 1998;

-001 Recognized Standing.

An applicant for certification must demonstrate proof that he has earned a four-year degree from a college or university of recognized standing. An applicant who has earned a four-year degree conferred by a college or university which is accredited by one of the following accrediting associations or agencies is deemed to have met that statutory requirement:

001.01 New England Association of Schools and Colleges;

001.02 Middle States Association of Colleges and Secondary Schools;

001.03 North Central Association of Colleges and Schools;

001.04 Northwest Association of Secondary and Higher Schools;

001.05 Southern Association of Colleges and Schools;

001.06 Western Association of Schools and Colleges.

Four year colleges or universities not accredited by one or more of the accounting associations or agencies listed above are considered for purposes of these rules to be unaccredited or nonaccredited colleges or universities.

9-002 Nonaccredited Degree

A graduate of a four-year degree granting institution not accredited at the time the applicant's degree was received or at the time of filing his or her application for certification will be deemed to have met the statutory education requirement, provided;

002.01 An accredited college or university, as defined above, accepts the applicant's nonaccredited degree for admission to a graduate degree program; and

002.02 The applicant presents evidence satisfactory to the Board that the nonaccredited college or university through which the applicant received his or her four-year degree is

of recognized standing. Evidence satisfactory to the Board may include, but is not limited to:

002.02A letters of recommendation regarding the applicant or the nonaccredited institution;

002.02B material from accounting firms regarding the quality of the educational program or the candidates from the nonaccredited institution;

002.02C evaluations of the applicant regarding his or her educational background, from faculty members of accredited institutions;

002.02D listings of the nonaccredited institution in directories or publications which attest to the quality of the educational programs at that institution;

002.02E membership of the nonaccredited institution in organizations which attest to the quality of the nonaccredited institution; and any other material acceptable to the Board.

9-003 Educational Requirements after January 1, 1998;

Preface: The Nebraska State Board of Public Accountancy is dedicated to insuring that the educational preparation of CPAs reflects a broad based educational program which incorporates the latest information and knowledge in the areas of accounting, auditing and general business as well as an understanding of the world and the relationships between business enterprises, government, and not-for-profit entities.

The Board will not furnish or prescribe specific curriculum which colleges or universities should adopt; rather it urges colleges and universities to adopt innovative approaches and programs designed to best meet the needs of the profession and society.

9-003.01 CPA Candidates - Effective 1, 1998 - For the Purpose of Nebraska Revised Statutes, Section 1-106 et. seq., as revised, the education requirements for certification, which must be met no later than the date of application for the candidate's first sitting for the Uniform CPA Examination, shall be a baccalaureate or higher degree which contains, as a minimum, 150 semester hours or 225 quarter hours from an accredited college or university (as defined and specified in Title 288, Chapter 9-001 and 9-002).

9-003.02 Eligibility. The candidate will be required, as a condition of acceptance for sitting for the first time for the Uniform CPA Examination, to provide the Board or its designee with an official transcript or transcripts that show his or her postsecondary education program has included, as follows:

003.02A 30 semester or 45 quarter hours in accounting beyond principles of accounting. The subjects to be covered in these hours shall include, at a minimum:

- (1) Financial accounting theory and problems
- (2) Cost and managerial accounting

- (3) Tax preparation and planning
- (4) Auditing
- (5) Accounting Information systems
- (6) Governmental and not-for-profit accounting.

003.02B 36 semester or 54 quarter hours in general business. The subjects to be covered in these hours shall include, at a minimum:

- (1) Macroeconomics
- (2) Microeconomics
- (3) Business law
- (4) Marketing
- (5) Management
- (6) Finance
- (7) Business Communication
- (8) Business Ethics
- (9) Quantitative applications in business
- (10) Principles of accounting

003.02C 60 semester or 90 quarter hours in general education. The subjects to be covered in these hours shall include, at a minimum:

- (1) Oral and written communication skills
- (2) Mathematics
- (3) Arts, natural sciences, social sciences and humanities
- (4) Statistics

003.02D The remaining 24 semester or 36 quarter hours would be in electives.

003.03 Any person making initial application to take the Uniform CPA examination shall be deemed to have met the educational requirement contained in the law and these rules if the applicant has met any one of the following conditions.

003.03A Has earned a graduate degree in accounting from an accounting program or department that is accredited in accounting by an accrediting agency recognized by the Board.

003.03B Has earned a graduate degree with a concentration in accounting from a program that is accredited in business by an accrediting agency recognized by the Board and has completed at least 27 semester hours or 40 quarter hours in accounting beyond principles in accounting either at the undergraduate level, graduate level, or an equivalent combination thereof. Included in the course of study or degree program should be courses covering the subjects as listed in Title 288, Chapter 9-003.02A-D.

003.03C Has earned a baccalaureate degree from a program that is accredited in business by an accrediting agency recognized by the Board and completed 30 semester hours or 45 quarter hours in accounting, beyond principles in accounting, at the undergraduate or graduate level. Included in the course of study or degree program should be courses covering the subjects as listed in Title 288, Chapter 9-003.02A-D.

003.04 Review of Transcripts; Appropriate level of coursework; transfer hours. For purposes of meeting the educational requirements, an applicant's official transcript or transcripts shall be reviewed by the Board or its designee to determine if the applicant's educational program complies with the requirements of the law and these rules. In reviewing the transcript or transcripts, hours in courses which have contained the required subjects listed in 9-003.02A, B, C and D which have been earned at a non-four year institution shall not be considered as acceptable in meeting the educational requirement unless those hours have been accepted for purposes of a degree by a four-year college or university, as defined in Title 288-Chapter 9-001 and 9-002.

003.05 Reciprocal Certificates. An applicant for a reciprocal certificate shall be deemed to have met the requirements of Nebraska Revised Statutes, Section 1- 106, et. seq. if he or she meets the following conditions:

003.05A Holds a current and unrevoked certificate in his or her original state of issuance of a CPA certificate; and

003.05B Has a postsecondary education which is substantially equivalent to the requirements contained in Nebraska Revised Statutes, Section 1-106, et. seq. The Board or its designee shall determine, based upon information provided by the applicant for a reciprocal certificate, if the applicant has education which is substantially equivalent to the requirements contained in Nebraska Revised Statutes.

003.06 Application procedures. Any person making initial application to take the Uniform CPA Examination shall be required to submit an official transcript or transcripts showing that the applicant has satisfied the educational requirements as prescribed in these rules. The Board or its designee shall determine whether the applicant is eligible to sit for the Uniform CPA Examination. If the Board or its designee cannot readily determine that an applicant has satisfied the educational requirements as prescribed in these rules, notification shall be made to the applicant. The burden of showing that the applicant's educational records contain compliance with the educational requirements contained in these rules shall rest solely with the applicant.

003.07 Conditional Credits; Lapse. Any person who made initial application prior to January 1, 1998 to take the Uniform CPA Examination and who, prior to the May, 1998

Uniform CPA Examination, has received conditional status after having successfully passed part of the examination, may continue to sit for the examination during their conditional status period until all parts are passed without having to meet the educational requirements which will be in effect after January 1, 1998. If such applicant's conditional status lapses after January 1, 1998, the applicant will be required to meet all the educational requirements which will be in effect January 1, 1998.

Statutory Authority: Section 1-113 R.R.S. 1943
